The Bathurst Regional Airport is now offering group site visits

Bathurst, NB – The Bathurst Regional Airport is pleased to inform that they are now hosting tours for students!

During these free tours, students get to experience the following:

- A behind the scenes look at the operations of an airport.
- Understanding how/why a passenger screening is conducted.
- Explanation regarding the importance of ATS Services (meteorological department).
- Information session with an Air Canada agent.
- Visit of the snow equipment hangar and explanation of the products used on the runway.
- Quick visit of the ramp room and explanation of the Ramp Agent and Operations Technician's role.

"We received a number of groups since the beginning of the year and the feedback is very positive. This is an excellent opportunity for students to see and understand the daily operation of an airport!" informed Jennifer Henry, Executive Director of the Bathurst Regional Airport.

"Students from ESN were given the opportunity to visit the Bathurst Regional Airport and this visit was very well planned and managed. The staff was very professional and courteous with the students during their tour. This visit allowed pupils and staff to discover the many treasures our beautiful Airport has to offer!" said Marc Arseneau, Community Development Officer, École secondaire Népisiguit.
